

Documents Required By Country

Directions for Submitting Records to InCred

- 1.) Include all institutions outside of the U.S. on your application: Upload clear scanned copies of all physical official academic records from any institution attended outside the U.S. This includes records from all secondary schools, upper secondary schools, sixth-form colleges, community colleges, universities, institutes, or other post-secondary institutions attended outside of the U.S. (as well as any in-progress coursework). See the listings on the following pages to determine what secondary school records are typically required for each country.
- 2.) Methods of document submission: Upload clear scanned copies of official physical records (or digital documents that are verifiable) directly to the InCred application. If documents are electronically produced, InCred will need to verify them directly with the issuing authority or institution of record. If physical documents or direct verification are unavailable, the applicant may need to request the institution send the electronic records directly to InCred from a verifiable institutional email.
- 3.) Original-language documents and translations: Academic records must be sent in BOTH the original language of instruction AND a literal English translation. Translations must be word-for-word and literal interpretations of the original record. Certified translations are not required, but inaccurate translations will cause delays in InCred's processing times.
- 4.) Upload your records electronically when you purchase an InCred Evaluation: When applying for an evaluation, upload records when prompted (immediately after entering educational history). If the necessary records are not uploaded initially, applicants may upload additional documents on the 'My Applications' page. On the current application, the blue drop-down arrow to the right will provide a list of options. The 'Upload' option will allow applicants to upload additional documents.
- 5.) For NAIA Eligibility Applicants:
 - a. Link InCred application and PlayNAIA profile: To most efficiently link accounts, register *first* on PlayNAIA.org and then on InCredEvals.org. Enter ECID# from PlayNAIA on InCred upon first registering. This ensures the final evaluation and relevant records are properly attached to the corresponding PlayNAIA profile. If the ECID# is not available to InCred during the evaluation, eligibility processing may be delayed. If needed, send both the InCred application number (APP-#) and ECID# to InCred@naia.org with a request to link them.
 - b. Non-enrollment letters, class rank letters, and sixth-form letters: Documents specific to NAIA eligibility from non-US institutions must be submitted through InCred according to NAIA Eligibility Center policy. Letters must be in the institution's language of instruction. Non-enrollment letters must be submitted directly by the registrar and state that no transcript is available, including any relevant dates or pertinent information. Class rank letters must be written on the school's letterhead by the principal or headmaster, assistant or vice principal, guidance counselor or registrar, and they must include the students' final numerical rank out of the total number of students in the school's graduating class based on cumulative grade averages (emailed or uploaded as a clear scanned copy of the physical letter). For students enrolled in sixth-form college (UK-patterned education) in the term directly preceding NAIA enrollment, a letter written and signed by a school official dated March 1st or later, confirming the student's enrollment status, the end date of the program, and the total number/subjects and level of the exams the student is registered to sit is required. Documents emailed from the institution must come from a verifiable institutional email address.

NOTE 1: Institutions may have additional requirements, so be sure to check with the Admissions Office about any other documents or test scores needed.

NOTE 2: Official incomplete high school documents may be evaluated for admissions purposes. Please note that documentation can even vary within each country. Submit all original documents in the institution's primary language of instruction and include literal English translations.

Questions? Contact the InCred team by including your Application ID# in an email to InCred@naia.org

Afghanistan

Baccaluria (high school diploma) and transcripts from upper secondary school

Albania

Dëftesë Pjekurie (certificate of maturity) from a *shkolle e mesme e pergjithsme* (general middle school) OR Maturity Certificate from technical school including exam results
