## Summary

An epic adventure into mad, this series of short story explore the chain that bind the human spirit to the repeat of survive.

~~~

History, write by the win rare record the event describe as they true took place. Clean and simple is their lesson loss to protect or damn us?

At the end of World War II, siege in his bunker, his fantasy crumble around him, Hitler make his escape. South he fly for one last chance, one final stand and one more lesson history forgot to teach us.

## Preface – Simple English

**W**hat if people could think for them-self?  
No, I do not mean rotate the idea around – once wash, then repeat – to fit like so many chicken in a oven. But every time reach for that spark beyond their react by ask can, I do better than this? And then do it. Can you imagine how danger that could be?

This is a voyage through the space between your ear; a vast not tap lone chasm of nothing kept company by only the echo of once intelligence thought, now long since past it expire date. A journey that ask how, instead of what and why, when okay would have done and if, where because was just not sense obscure a truth so personal it could never be under-stood again.
